This is truly superior pizza, by far the best we know of in New West. Delivery is reasonably quick, and if we phone in our order and go to pick it up, it's always ready in 20 minutes. Unimprovable.

MELANIE G. via Google

This was the best pizza I've had in a very long time! They have fresh garlic as a topping which I highly recommend you try. The pizza here is so fresh and delicious, the crust is soft and crunchy, it's just so damn good!!!
